POLITICS WAKING UP IN DAYTONA

CITY ELECTION NEXT MONTH CANDIDATES GETTING BUSY

MEN WHO WOULD FILL CITY OFFICES HAVING PAPERS CIRCULATED AND FILED TO BE READY FOR THE RACE.

The political situation in Daytona is beginning to wake up. With the municipal election less than three weeks ahead local politicians are beginning to look after their own interests and investigate the possibilities and probabilities of election, estimating their own strength among the voters as compared with the strength of those against whom they are to run, and the citizens of Daytona may expect a little excitement before the time comes to cast their ballots on the 14th of February.

For mayor "Squire" M. H. Zuber declines he will give the present incumbent, Mayor Henry T. Tins, a run for his money and the acquire just as confident as ever that he will be elected by a big majority. Mayor Tins is doing little talking, but seems to be sawing wood all the time in preparation for the finish of the race next month.

Up to this time Messrs. Tins and Zuber are the only announced candidates for the office of mayor, although Col. C. M. Bingham has been frequently mentioned and it is possible his friends may still be able to induce him to make the race. As members of the city council President Henry Schmidt, Aldermen E. S. Hall, S. W. O'Brien and H. E. Burdick retire and four new members of the council will be elected to succeed them. Alderman Hall is not a candidate for re-election and refuses to allow his name to go before the voters for another term as alderman. Friends of President Henry Schmidt, Alderman O'Brien and Alderman Burdick have already circulated nomination papers for these men and their names will go on the ballots as candidates for re-election. To take the short term place of Alderman Hall, Simon Heyman has circulated and filed his nomination papers and will be in the race for member of the city council.

The nomination papers of Harry Hartshorn for assessor to succeed himself have been circulated and filed. A. McF. Porter will undoubtedly succeed himself as city clerk and P. N. Conrad has already filed his papers for the second term as city treasurer.

W. Booth will be a candidate to succeed himself for collector. For school trustees Messrs. W. M. Hinkins and William Jackson will be candidates to succeed themselves, but up to this time no candidate has come forward to fill the vacancy caused by the resignation of Rev. A. J. Wilder, who has removed from the city. The call for the annual election requires the election of three local school trustees and it is understood Rev. S. D. Gammell may be induced to make the race to succeed Rev. Mr. Wilder.

TO EXTEND THE STRIKE OVER STATE

ONES NOW OUT ARE TO TRY TO INDUCE OTHERS TO JOIN

COMMITTEE GOES TO PLYMOUTH FOR THE PURPOSE OF TRYING TO INDUCE WORKMEN THERE TO STRIKE.

LAWRENCE, Mass., Jan. 27.—The 20,000 textile workers of this city now out on a strike are today preparing to extend the strike all over the state. A committee representing the local strikers today went to Plymouth for the purpose of trying to induce the operatives of the Furman mill, owned by the American Woolen company, to join in the strike.

William Heywood, who came here several days ago to take charge of the strike, left today for Toledo on a business trip, but will return here soon.

The excessive cold today kept the strikers generally indoors and indications were there would be little attempts at violence because of this fact.

GOOD PROGRAM IS RENDERED TO AUDIENCE IN SEABREEZE

SCHOOL IMPROVEMENT ASSOCIATION GIVES SPLENDID ENTERTAINMENT AT PUBLIC SCHOOL BUILDING.

SEABREEZE, Jan. 27.—The concert given last night in the auditorium of the Seabreeze public school, under the auspices of the School Improvement association, was a fine amateur performance, each member of the program receiving hearty and generous applause from the large audience.

Prof. D. D. Davis, principal of the school, in a short and interesting talk outlining the aims and objects of the association said: "Realizing that the local school board is doing everything within its means for the betterment of the school in general, the teachers and mothers saw that some assistance could be rendered, and this organization was set forth in the constitution: 'To unite all the people of this community for the improvement of our public school; (1) by placing in the school facilities for health, comfort and education, together with objects of beauty; (2) by planting trees, shrubs and flowers in the school grounds; (3) by encouraging the establishment of a library in the school; (4) by making the school a center of attraction for the community.'"

The overture by Wilson's orchestra, the baritone solos by W. N. Manchester, selections from Burns by Dr. E. T. Bigelow, a vocal solo by Miss Shelley—"Pilgrim Invaders"—a reading by Mrs. A. T. Bigelow and a humorous reading by R. C. Watterson, were especially enjoyed by those present, although the program as a whole was exceptionally well carried out.

LOUD WHISTLING CONTINUES IN SPITE OF RECENT ORDER

ORDER FROM OFFICIAL OF EAST COAST ROAD TO DO LESS WHISTLING IN CITY HAS DONE LITTLE GOOD.

Has anybody noticed that there has been less whistling by engines pulling Florida East Coast railroad trains through this city during the last couple of weeks?

If there has been less whistling lately the fact has not been noticed by residents of this city, and this in spite of an order issued recently by the superintendent of motive power of the East Coast railroad, calling attention of all engineers to the fact that complaint has been made to the officials of the road by citizens of Daytona about so much unnecessary blowing of whistles within the city limits. The order calls upon all engineers to use great care about too much whistling within the city limits of Daytona, pulling the whistle cord only when necessary for street crossings.

The continuous, unnecessary whistling by engines pulling trains through this city, particularly at night has become such an annoyance to the people all over the city that complaint was recently made to the officials of the road and the order from the superintendent of motive power to all engineers was the result. This order was issued several days ago and a copy of it has been posted at the local depot, but in spite of this there seems to be just as much loud whistling as before the order was issued.

TAFT TO BE GUEST OF HONOR AT ANNUAL BALL OF HEBREWS

TO ATTEND FUNCTION FOR THE HOME FOR THE DAUGHTERS OF JACOB IN NEW YORK CITY THIS EVENING.

NEW YORK, Jan. 27.—President Taft will be the guest of honor at the 15th annual ball of the Home for the Daughters of Jacob, which will be held tonight in the armory of the 1st regiment.

This affair is attended every year by the most prominent men in New York business life and the proceeds are used for the maintenance of one of the most unique institutions of its kind in the country, the Home for the Daughters of Jacob, an institution for the care of the dependent aged Hebrews of New York City. There are 185 inmates, 80 men and 105 women, at the present time, and their ages range from 65 years to 106 years. Of these more than half have passed the 90th mile score of time and there are five who were born more than a century ago. About a year ago there were nine inmates of the home whose ages ranged from 100 to 114 years, and made a grand total of 335 years. Several of these have died during the past year, and the title of oldest inmate is now held by a woman who has lived 106 years.

Of the 185 inmates, 64 are chronic invalids and are confined to the hospital wards of the home. The present home is now fitted to capacity and there are 270 applications on file from prospective inmates. All of the applicants are over 65 years old.

WATTERSON AN ANNANIAS CLUB MEMBER

PLACED THERE BY MR. WILSON IN STATEMENT THIS MORNING

GOVERNOR OF NEW JERSEY DENIES CLARES ASSERTION CREDITED TO KENTUCKY EDITOR IS NOT TRUE.

NEW YORK, Jan. 27.—Governor Woodrow Wilson of New Jersey, starting for Boston this morning, stopped here long enough to put Colonel Watterson in the "Annanias club."

When shown dispatches containing the correspondence between Col. Watterson and Senator Tillman, and coming to the statement where the Kentucky editor asserts that he undertook to raise campaign funds at Wilson's instance, Governor Wilson exclaimed, pounding his fist with his fist, "What do you think of that. It is absolutely untrue."

Then the New Jersey governor dictated the following statement: "So far as I am concerned the statement that Col. Watterson was requested to assist in raising funds in my behalf is absolutely without foundation. Neither I nor anybody authorized to represent me ever made such a request of him."

Watterson Has Proof—WASHINGTON, Jan. 27.—Colonel Henry Watterson, when shown Woodrow Wilson's denial today, suggested that "five gentlemen be chosen as a court of honor to decide the question of veracity."

Mr. Watterson declared he has proof "to back up the statement that he was authorized to raise campaign funds for Wilson, and that he did raise a considerable sum."

Senator Tillman would make no comment, saying it is a matter entirely between Mr. Watterson and Mr. Wilson.

The newly elected officers present were at once installed and following short speeches by several of them the lodge was closed and all sat down to the enjoyment of an oyster supper, concluded with a smoker.

One of the features of the evening was the hearty and general expression of appreciation of the efficient services of Sovereign A. H. Carter, who was re-elected clerk of the camp, without a dissenting vote, and provision made for a small financial compensation for the office. Sovereign Carter having heretofore served the camp gratuitously. Between 20 and 25 of the camp members were present, but no visitors, attended, although they would have been given a cordial welcome, as they will at any of the camp sessions.

DESERVED SUCCESS.
Charles Klein's great play, "The Lion and the Mouse," richly deserves the great success that has followed it ever since its initial performance. No play in the last 50 years has set people to thinking so deeply as has this one.
